

CT brain

Stroke

Cytotoxic edema
– involve grey-white matter

Not stroke

Vasogenic edema
– spare grey matter

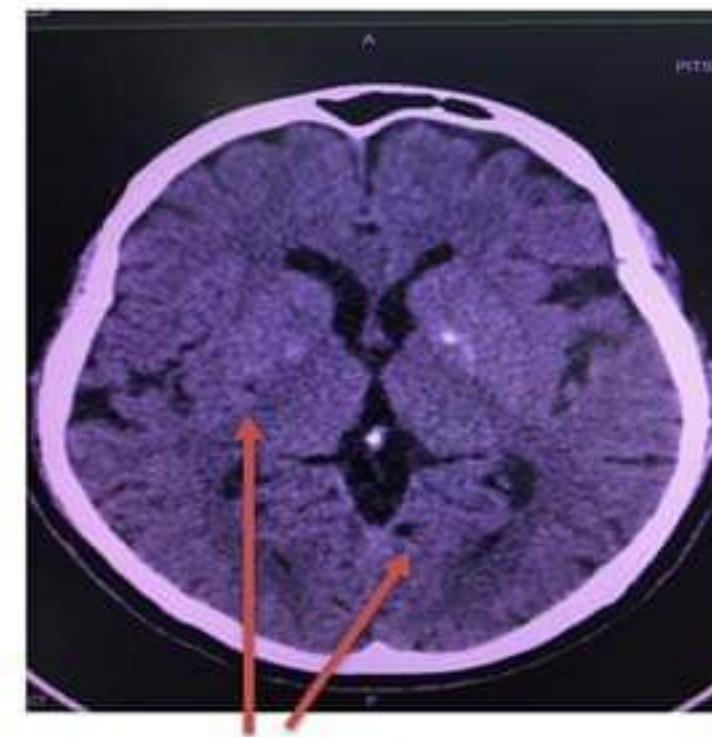

CT brain

Stroke

III defined

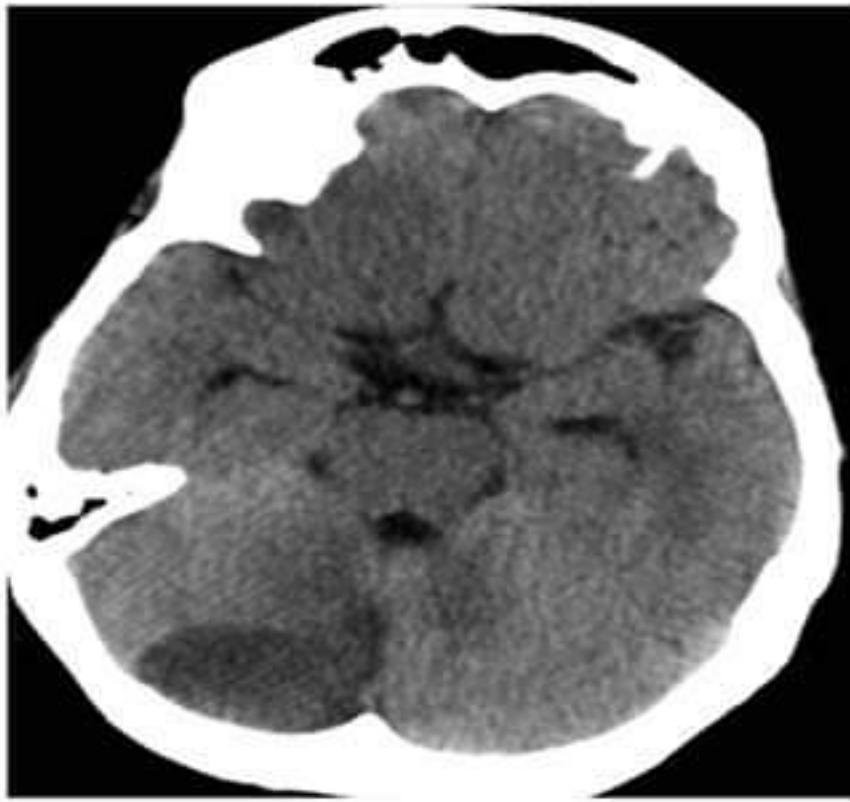

Not stroke

Virchow-Robin (VR) spaces,
interstitial fluid filled spaces
well-defined

CT brain

Stroke

Not stroke

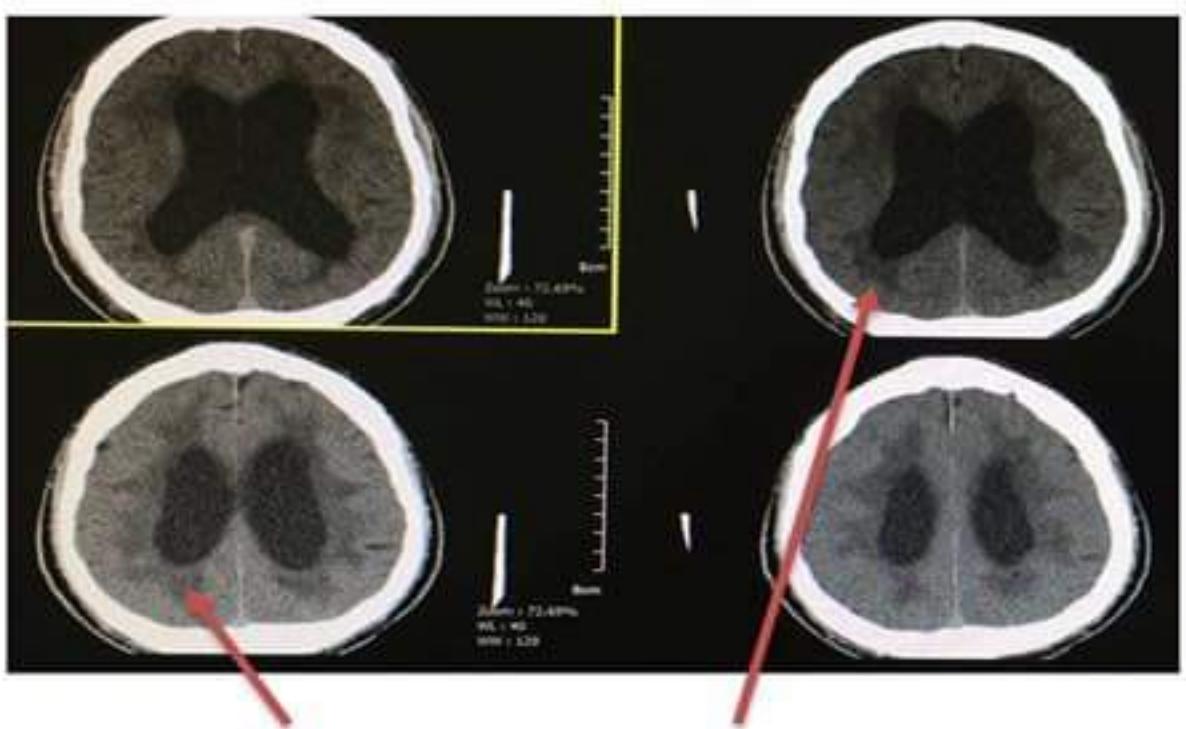

**Cisterna magna ,
normal variant subarachnoid space**

CT brain

Stroke

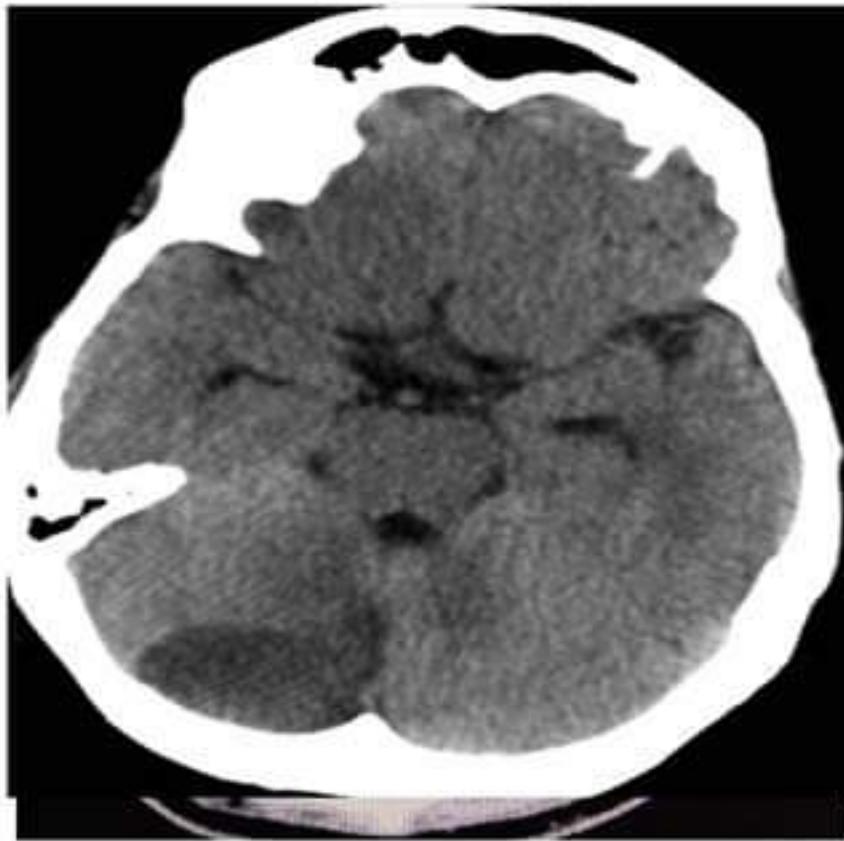

Not stroke

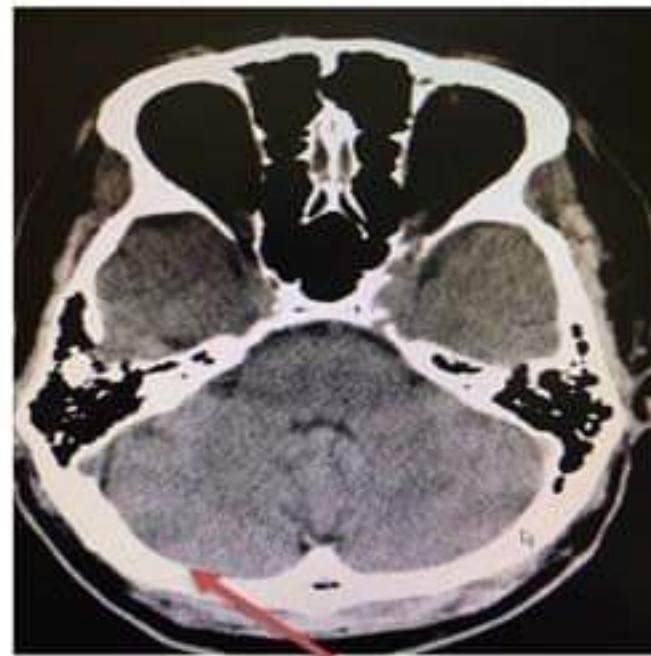

Transepithelial edema,
Interstitial cerebral edema
from hydrocephalus

CT brain

Stroke

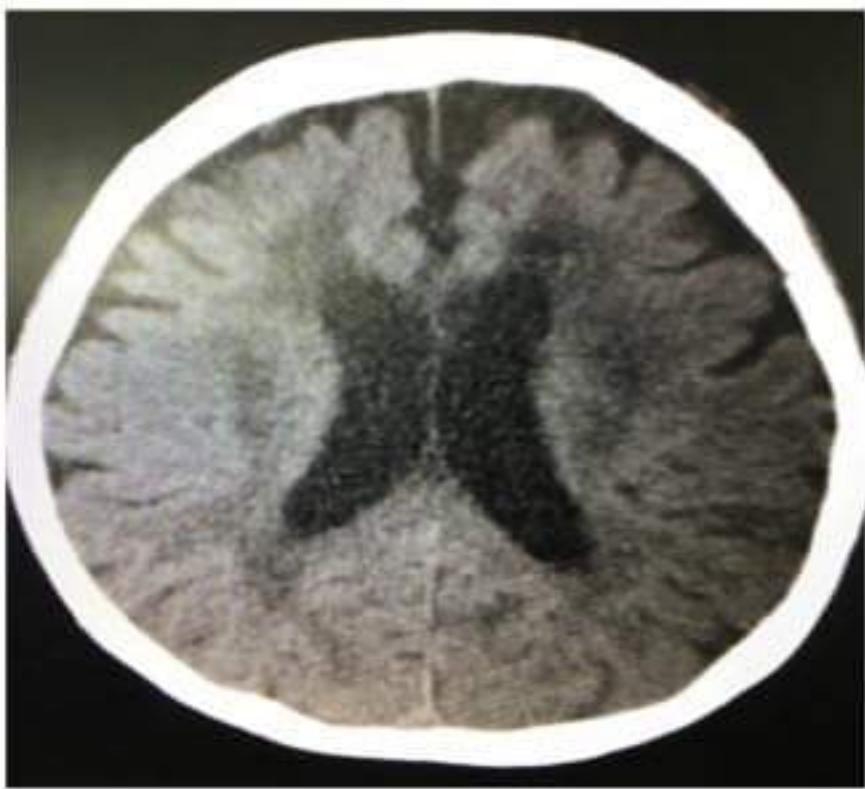

Not stroke

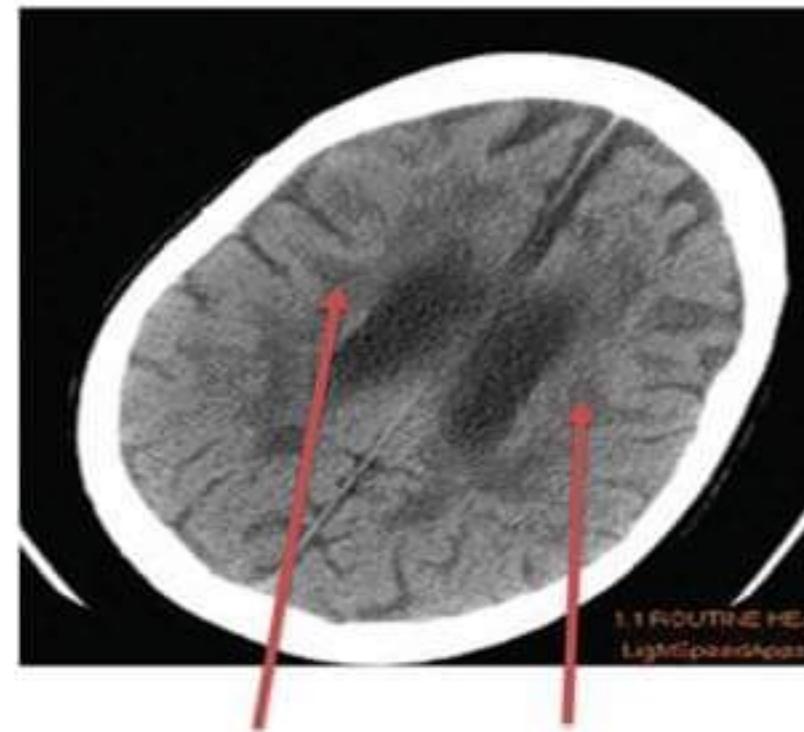

Cerebellar folia,
wrinkle (gyrus) of the cerebellum

CT brain

Stroke

Not stroke

**Multiple sclerosis,
white matter demyelinate**

CT brain

Stroke

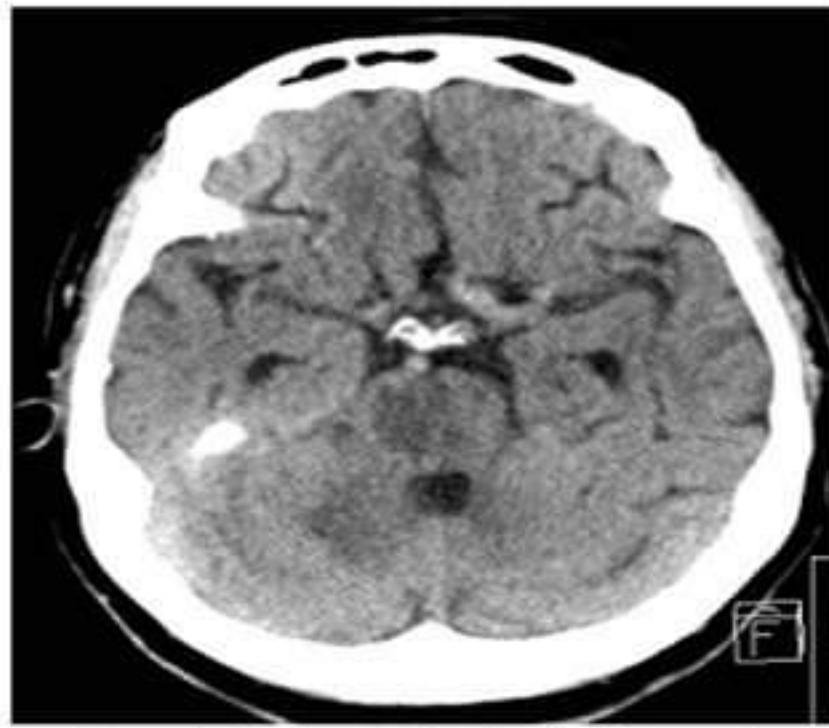

Not stroke

**Encephalomalacic,
from post traumatic**

CT brain

Stroke

South Sudan Medical Journal.

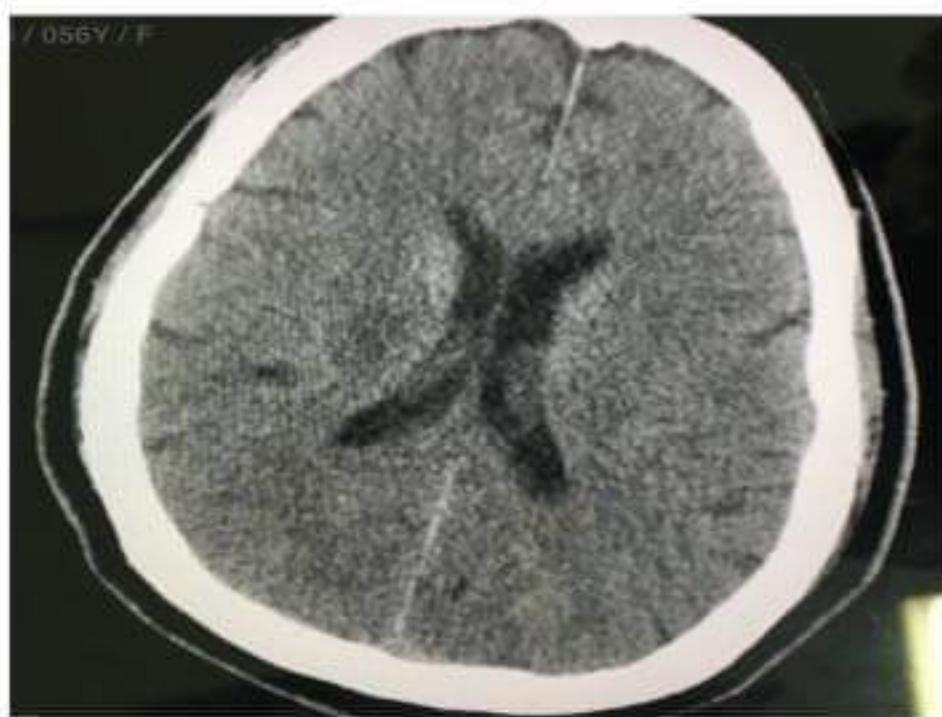

Not stroke

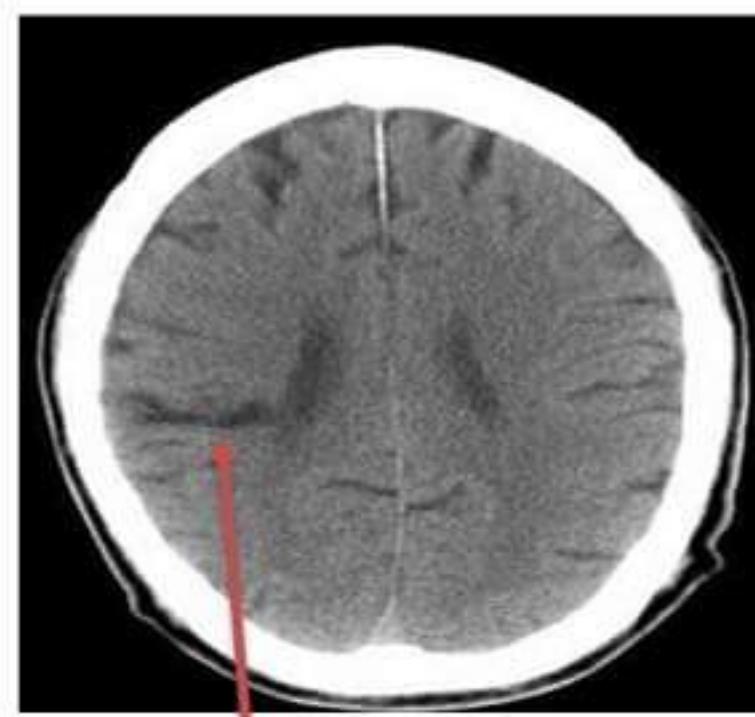

**Linear artifact,
from bony structure**

CT brain

Stroke

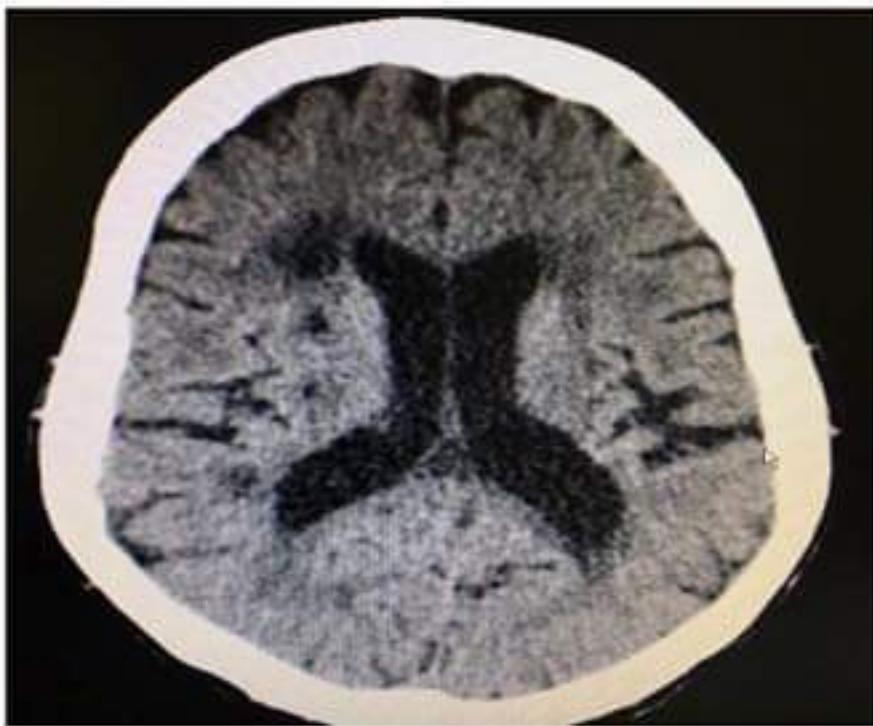

Not stroke

**Schizencephaly,
cortical malformation
as a grey matter-lined cleft**

CT brain

Stroke

Not stroke

**Slit-like hypodense lesion,
Post hemorrhage**
