

Superficial temporal artery

Facial artery

Common carotid artery

Brachial artery

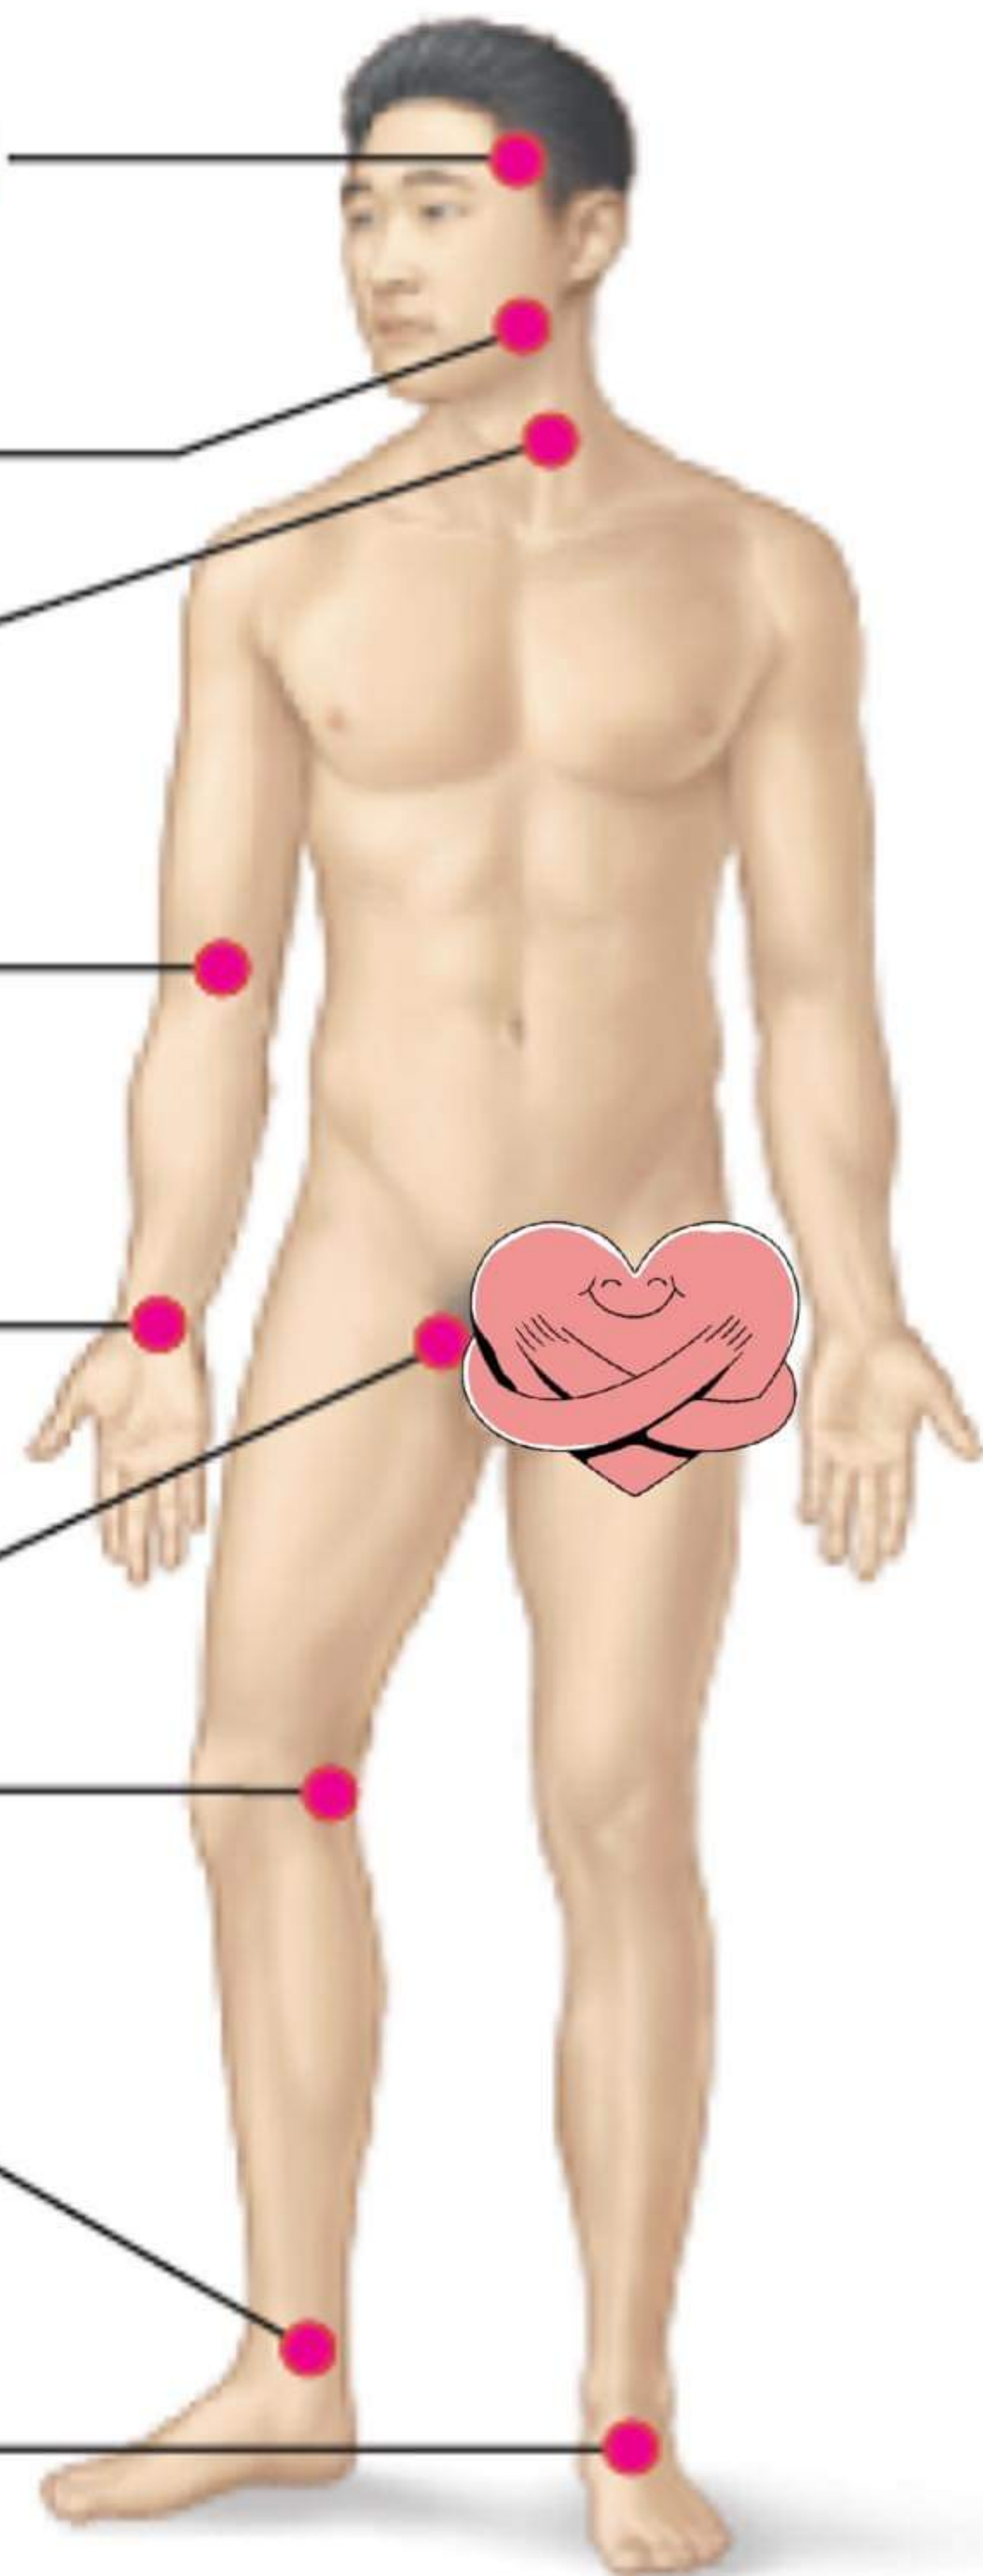

Radial artery

Femoral artery

Popliteal artery

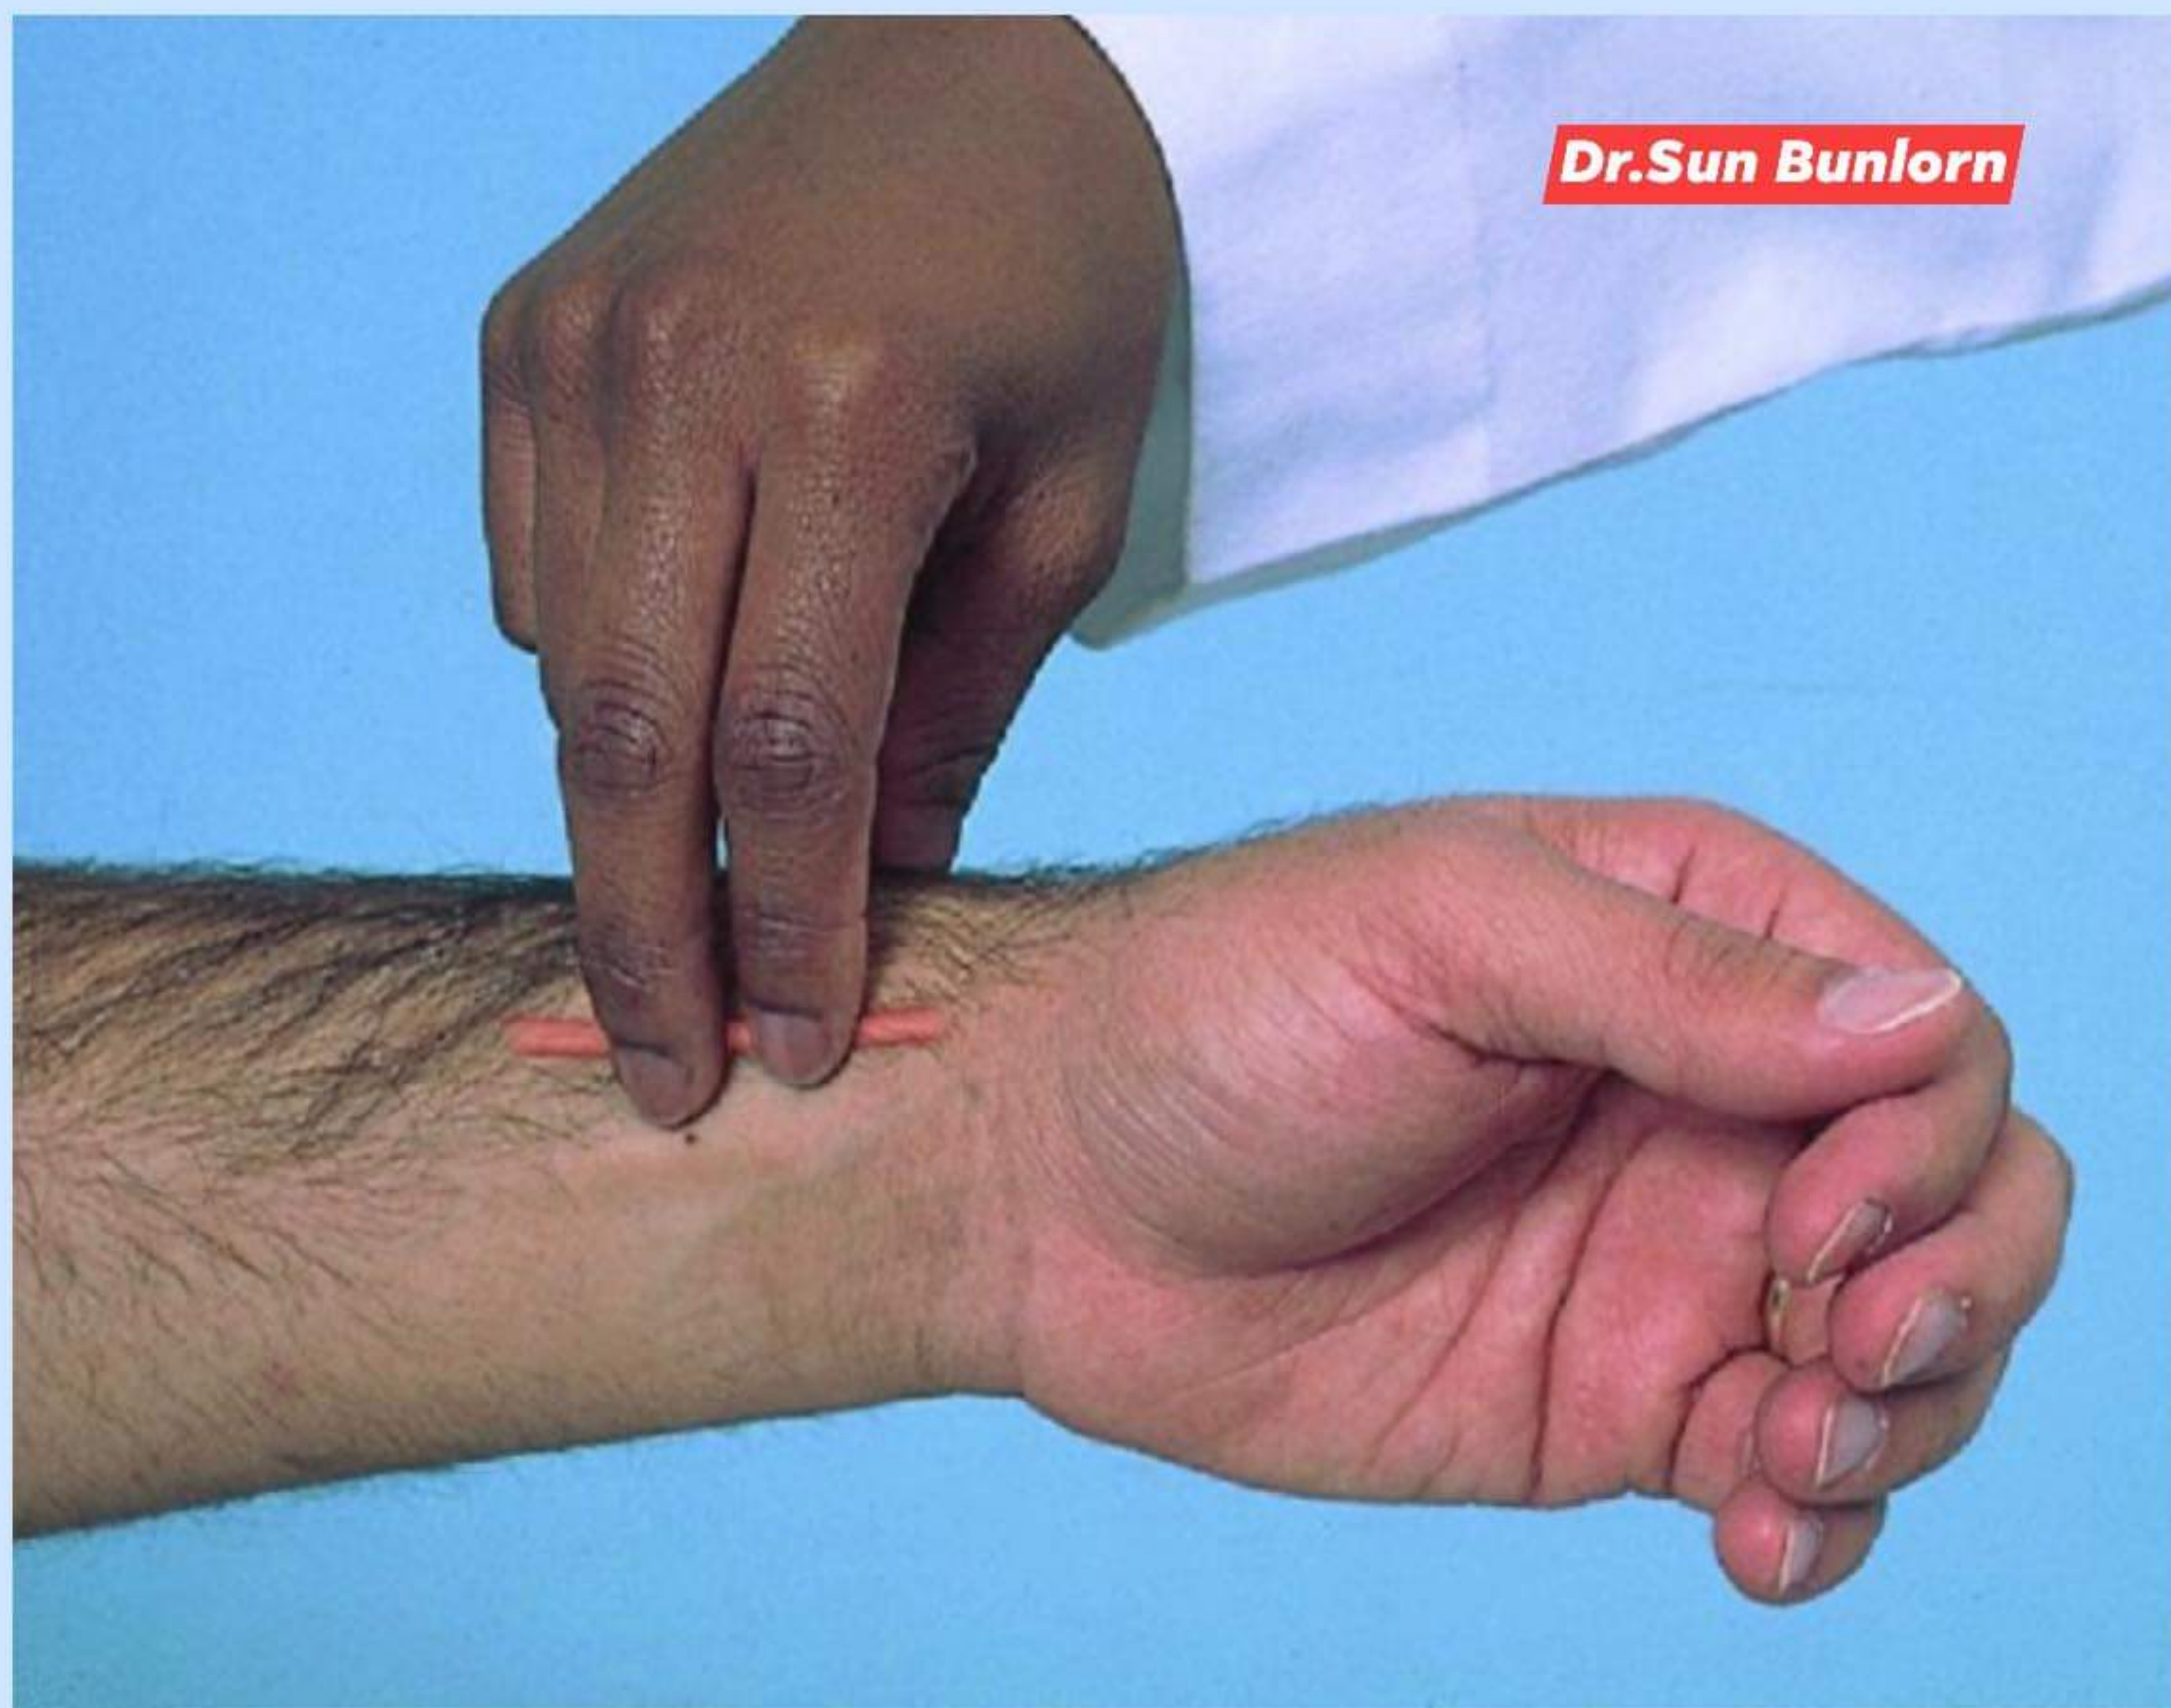

Posterior tibial artery

Dorsalis pedis artery

Examination Technique

Figure 1. Palpate the radial pulse.

Possible Findings

Lost in thromboangiitis obliterans or acute arterial occlusion

Dr.Sun bunlorn

Figure 2. Palpate the brachial pulse.

Figure 4. Palpate the popliteal pulse.

Dr.Sun Bunlorn

Figure 6. Palpate the posterior tibial pulse.

Dr.Sun Bunlorn

Figure 5. Palpate the dorsalis pedis pulse.

Femoral
Artery
